

PAMIDI NAGA PRAVEEN

Aspiring Software AI Engineer | Full-Stack Developer

Email: pamidinagapraveen@gmail.com | Phone: +91 9676984987 | Portfolio: <https://praveen-portfolio-v2.vercel.app/>
GitHub: <https://github.com/PamidiPraveen> | LinkedIn: <https://www.linkedin.com/in/praveenpamidi/>

TECHNICAL SKILLS

Languages: Python, SQL

Computer Science Fundamentals: Data Structures & Algorithms, Object-Oriented Programming (OOP), Problem Solving,

Web Technologies: HTML, CSS, React.js

Backend & Frameworks: Flask, Django

Databases: MongoDB, MySQL

Tools & Platforms: Git, GitHub, VS Code

Others: Prompt Engineering

EDUCATION

B. TECH - COMPUTER SCIENCE & ENGINEERING

ST ANN'S COLLEGE OF ENGINEERING & TECHNOLOGY
2023 - 2027
CGPA - 8.35/ 10

INTERMEDIATE EDUCATION

M.S. REDDY JUNIOR COLLEGE
2022 - 2023
PERCENTAGE : 63

DIPLOMA - ANIMAL HUSBANDRY

AH POLYTECHNOC COLLEGE
2019 - 2022
PERCENTAGE : 79.5

SECONDARY SCHOOL CERTIFICATE (SSC)

ZP HIGH SCHOOL
2018 - 2019
CGPA - 9.7/10

CERTIFICATIONS

Python Certification - CodeTantra

[Certificate link](#)

National Short-Term Training Program - AICTE & Brainovision Solutions (Dec 2024)

[Certificate link](#)

Technical Paper Presentation - ICRAIICE-2025 ("Online Examination System")

[Certificate link](#)

SOFT SKILLS

- Strong Problem-Solving & Analytical Thinking
- Ability to Work with Ambiguous Requirements
- Effective Communication of Technical Concepts
- Team Collaboration & Ownership Mindset
- Continuous Learning & Adaptability

PROFESSIONAL SUMMARY

Aspiring Software Engineer and Full-Stack Developer with experience in Python, Java, C, Flask, and web technologies. Good foundation in data structures, algorithms, and object-oriented programming, with hands-on experience building scalable applications and backend services. Skilled in databases (MongoDB, MySQL), problem-solving, and collaborating effectively in team environments. Eager to contribute to impactful projects and continuously learn across diverse technical domains. Passionate about leveraging technology to solve real-world problems and improve user experiences. Committed to adopting best practices in software development, including clean code, testing, and scalable system design.

PROFESSIONAL EXPERIENCE

TR Tech NexZen Solutions Pvt. Ltd | AI Intern

June 2026 - July 2026 | [Certificate Link](#)

- Completed a structured Internship focused on GenAI fundamentals, gaining practical experience.
- Gained hands-on experience application development.

PROJECTS

Online Examination System

- Architected and implemented a examination platform supporting distinct administrative and student workflows.
- Designed backend services using Python and Flask to handle authentication, authorization, and secure data processing.
- Developed API endpoints to manage assessments, submissions, and evaluation logic with efficient data handling.
- Structured database models in MongoDB to support scalability, fault tolerance, and reliable query performance.
- Delivered a responsive web interface enabling smooth interaction and real-time feedback for users.

BookAura - AI Chatbot Based Ticket Booking System

- Built a full-stack booking platform with a React (TypeScript) + Tailwind CSS frontend and a Python Flask REST API backend, letting users book movies, hotels, and buses through natural conversation.
- Designed a custom rule-based natural-language chat engine that detects booking intent and drives interactive seat and room-selection widgets in real time.
- Implemented secure authentication (email/password, Google OAuth, OTP-based password reset) and modeled bookings, transactions, and users in MongoDB via PyMongo.
- Integrated a simulated Razorpay payment gateway with automated confirmation emails and downloadable PDF tickets to complete the end-to-end booking flow.

LEADERSHIP & ACTIVITIES

Role: Department Club Coordinator

Computer Science & Engineering Department

- Coordinating academic and technical activities within the department club, including planning sessions, student engagement events, and peer-learning initiatives.
- Working with faculty members and student teams to organize activities, manage schedules, and ensure smooth execution.
- Developing communication, coordination, and responsibility-handling skills through active leadership involvement.
